HOBBIES

PROFESSIONAL SUMMARY

I am a Front End Web Developer intern with 3 years of experience in developing and designing responsive websites. I have strong technical knowledge in HTML, CSS, JavaScript, and React. I have worked on projects with excellent results. I am highly organized in my work and enjoy working collaboratively to produce the best possible outcome. I am also an excellent problem solver and have the ability to think on my feet when faced with difficult tasks. My top skills include writing clean code, debugging, analyzing user requirements, and creating compelling visuals.

EXPERIENCE

Front End Web Developer intern

FHG / Nigeria, Kwara state

2023 - 2023

Front End Web Developer intern at FHG, Nigeria (): During my 2-month internship at FHG, I developed a wide range of front-end web development skills. My main responsibilities included:

- Developing efficient web solutions for the company
- Testing and debugging applications
- Integrating front-end components with back-end services
- Collaborating with other departments to ensure successful implementation of projects
- Worked as a freelance developer on Fiverr and upwork
- Researching and evaluating new technologies to improve existing solutions
- Writing clean, compliant code for web applications.
